

GARDEN SCHOOL

29th November 1980

My Dear Friends,

It's time for another newsletter and to say Hello for Christmas.

Thank you very much for your prayers, greetings and gifts for my Jubilee. It was a beautiful celebration. I sent you a Souvenir card through Philippa.

I am enclosing the photographs I promised -, some of them were taken on Childrens' Day - the others during the visit of the Director of Catholic Relief Services. This organization donated two steel cupboards for storing our School uniforms and stationery.

As you see from the pictures our children now have beautiful Dining Tables and Benches. These pictures were taken during Breakfast.

Two months ago we had the sad experience of our first funeral - one of our boys Dilip died in a train accident. He was trying to board a moving train. His parents came to the school to beg for the only photograph of Dilip ever taken - the one in our sponsorship file. They wanted to show their relatives how handsome he was. His face and head were badly mutilated in the accident. Please remember him in your prayers.

As Christmas draws near, there are preparations in school for a Christmas Party. Though most of our kids are non-Christians - we do celebrate this feast and use it as an opportunity to tell them the Christmas story - the birth of the Giver of all good gifts who inspires good people like you dear friends to give them the gift of new clothes and a Christmas party.

I take this opportunity on behalf of our children and in my own name to wish you a very Happy Christmas and God's choicest blessings for each one of you and your families. Thank you once again for remembering God's poor in such a generous manner.

Yours faithfully in J & M
