Some of the families of Reay Road had the sad misfortune of facing a short circuit in the area in which they live. About eight of the families whose children come to our school at Reay Road or are sponsored by Prem Dan sponsors suffered the loss of their homes, utensils clothing and basic necessities. Through these weeks they have tried to gather things they need awaiting reconstruction of their homes. Presently they are living under tents made by tarpaulin and sheets of tin which were salvaged.

The mothers of our Prem Dan Nursery children and the women of the YMCA Nursery In Colaba were invited to celebrate Woman's Day on March 9, 2013. 275 women accepted to participate in the programme. The Family Planning Association organized the half day programme for the women. Sr. Louisa r.j.m. led the group in an opening prayer after which they tried their skills in outdoor games. The members of a self help group of Bhiwandi a suburb of Mumbai shared how they were taught to save money, to move out of their home-bound

atmosphere and use their talents to develop themselves and others, and the importance of Family planning and promoting the education of their children. A lively question and answer session followed which indicated their interest in carrying out some of the suggestions made by the self-help group. The programme was well appreciated by all.

Easter spells out beauty, The rare beauty of NEW LIFE!!

We at Prem Dan wish you a very Happy Easter.
Do accept our thanks for your constant interest,
help and guidance through the year.
We will always be grateful to you. Sr. Felicity Morris, Zelia and Louisa.
